CAEPIA 2018  
Granada  
XVIII Conference of the Spanish  
Association for Artificial Intelligence

Dear Colleagues,

We are pleased to announce that the “2018 Best Spanish PhD thesis in smart cities in CAEPIA 2018” sponsored by Sensors (ISSN 1424-8220, IF 2.677, <http://www.mdpi.com/journal/sensors>) is now open.

We also have two smaller awards sponsored by the Spanish network on research for Smart Cities CI-RTI (<http://www.cirti.es>).

All nominations and applications will be assessed by an Evaluation Committee led by Prof. Dr. Enrique Alba.

# 2018 BEST SPANISH PhD THESIS IN CAEPIA AWARD

## Eligibility and Requirements:

- PhD Theses presented along the period 1 January 2016 to 30 August 2018 defended in any Spanish research institution.
- Groundbreaking in “smart cities, and intelligent systems for IOT/sensors”

## List of Documents for Application:

- Detailed Curriculum Vitae, including an updated publication list and a list of the researcher’s own research grants.
- Scanned copy of doctorate certificate.
- Signed nomination letters from two established senior scientists.

## The award will consist of:

1000 Swiss Francs for the winner (plus diploma), and two other awards of 500 euros each to finalist works (plus diploma). The winner will be invited to publish in SENSORS a related scientific article for free.

We welcome nominations and applications for this award until September 30th, 2018. The decision on these awards will be final.

Please send your applications and materials to [eat@lcc.uma.es](mailto:eat@lcc.uma.es) by September 30th, 2018. The winner will be publicly announced during CAEPIA 2018, Granada (October 23-26). The SENSORS winner is expected to attend and make a short presentation of his/her PhD thesis.
